In this interview with Father Steven Allen of Saint Ieronymos Orthodox Church in Hillsdale, Michigan, we discuss a range of topics, including the Moscow Patriarchate, the false union of 2007, the pan-heresy of ecumenism, and the downfall of World Orthodoxy. Father Steven also speaks about the importance of Orthodox Christian marriage, his history within the Genuine Orthodox Church of Greece, its growth in North America, and offers advice to those who are on the fence about leaving World Orthodoxy for the Genuine Orthodox Church, as well as to those converting to Orthodoxy for the first time and weighing the differences between True Orthodoxy and Ecumenist World Orthodoxy.
